The fundraising offices provide the major financial support for the charity programs of The Sisters of Mary. Peoples from different countries come to know about the needs of the children and adults under the care of The Sisters of Mary and give donations through these offices. The Sisters of Mary and the fundraising offices work hand in hand to achieve their goal of supporting the charity programs maintained and operated by The Sisters of Mary.

Performance and accomplishments of each charity program are regularly shared by the sisters to the donors through the fundraising offices. These updates may be browsed at <a href="https://www.worldvillages.org">www.worldvillages.org</a>, <a href="https://www.willagesdumonde.fr">www.worldvillages.org</a>, <a href="https://www.willagesdumonde.fr">www.worldvillages.org</a>, <a href="https://www.weltkinderdoerfer.ch">www.weltkinderdoerfer.ch</a>, <a href="https://www.werelddorpenvoorkinderen.be">www.werelddorpenvoorkinderen.be</a>.

The pandemic in 2020 caused by the COVID-19 virus disrupted the operations of The Sisters of Mary charity programs during the same year. Children in Honduras, Brasilia and the Philippines were not able to spend their vacations at home and stayed inside the compounds of the school. Online classes were held by teachers who were quarantined in

their homes. Completion of building improvements and construction of workshops were delayed. Amidst the disruption, The Sisters of Mary's most urgent priority was to ensure that all children had enough food to eat within the compounds of the schools.

Table 4. Donations and subsidy received by each country program

The Sisters of Mary continue to receive subsidies from the government in Korea, Honduras and the Philippines.

The Korean government subsidized 70.98% of the expenses incurred by The Sisters of Mary charity programs in Korea. Local donors, especially alumni, continue to support the charity programs of The Sisters of Mary. The subsidy from the Korean government and the local donations are the sources of funds for the operations of The Sisters of Mary in Korea.

The Philippine government through the Department of Education and the Honduran government through the office of their president support the charity programs of The Sisters of Mary in their countries.

Various local NGOs provide support to each country program. These organizations are the Association of Sponsors of Sisters of Mary in Korea, Fr. Al's Children Foundation Inc. in the Philippines, Fundacion Aloysius in Mexico, Instituto Social das Irmas de Maria in Brazil and Asociacion Aloysius in Guatemala and Honduras. Local donors may benefit from either full or limited deduction and exemption from donor's tax when they donate.

This year, so many individuals, organizations and local government offices supported the charity programs of The Sisters of Mary by donating food, school materials, cleaning materials, face masks/shields, shoes, alcohol, soap, shampoo, hygienic products, vitamins, bicycles, medicines, toilet paper, underwear, t-shirts and other articles of clothing.

#### **EXPENSE**

#### Administrative Expenses, Salaries & Wages

Administrative expenses of the charity programs average at 3.4% of the total expenses. The administrators and superiors in all seven countries of operations are religious sisters who do not receive salaries. Salaries and wages of all employees of the schools, hospitals and homes run by The Sisters of Mary form part of the operating expenses.

# CONGREGATIO PRO INSTITUTIS VITAE CONSECRATAE ET SOCIETATIBUS VITAE APOSTOLICAE

Prot. n. M 257-1/99

#### DECREE

The religious Institute of the **Sisters of Mary** whose principal seat is established in the Archdiocese of Manila, was founded by the Reverend Mgr. Aloysius Schwarts, and erected as of diocesan right on March 2, 1993.

The Sisters engage themselves in educational/vocational welfare of underprivileged children/youth, medical care to the sick and the dying, shelter service to homeless and helpless people.

Supported by the testimonial letters of the other diocesan Bishops concerned, His Eminence Cardinal Jaime L. Sin, Archbishop of Manila, has asked the Apostolic See to have the religious Institute of the Sisters of Mary recognized as of pontifical right.

The Most Holy Father Pope John Paul II, having heard the favourable opinion of the Congregation for Institutes of Consecrated Life and for Societies of Apostolic Life, has graciously granted the above mentioned request.

By means of this present Decree, therefore, this Congregation declares that, from now onwards, the Institute of the Sisters of Mary is a religious Institute of pontifical right.

The same Congregation moreover approves and confirms the Constitutions which correspond to the English text kept in its archives.

May the Sisters Mary live faithfully their religious consecration and dedicate themselves generously to the apostolate of the Institute, according to their charism.

All things to the contrary notwithstanding.

Vatican, March 2, 2000.
