Founder: Venerable Aloysius Philip Schwartz (1930-1992)

Founded on: August 15, 1964

**Officially decreed
as a Diocesan Religious
Congregation on:** March 2, 1993

**Declared as Religious Institute
of Pontifical Right on:** March 2, 2000

**Countries wherein charity programs
for the poorest of the poor are operated
and maintained:** Korea, the Philippines,
Mexico, Guatemala
Brazil, Honduras and
Tanzania

**Overall Chairperson of the Board
of all charity programs:** Sr. Maria Cho

Headquarters: Sisters of Mary of
Banneux, Inc.
Biga, Silang, Philippines

Purposes of the
Sisters of Mary of Banneux, Inc.

- (a) To establish, operate and maintain a child welfare program for the care and education of underprivileged children, especially orphaned and abandoned children and street children, and to provide a free medical service program for the poorest of the poor;
- (b) To set-up, supervise and maintain a shelter for the destitute and the homeless, the care and rehabilitation of mendicants and the mentally or physically handicapped and shelter for unwed mothers;
- (c) To establish, provide and maintain a medical service program that will extend health and medical services to the above beneficiaries; and
- (d) To devise and maintain other programs to assist and serve the poorest of the poor.

Article 2 of the Constitutions of The Sisters of Mary defines their purpose as following Christ more fervently in prayer and more closely proclaiming the Kingdom of God particularly in doing good to people, concretely in terms of educational/vocational welfare of the underprivileged children or youth, medical care to the sick and the dying, shelter service to the homeless and the helpless.

Places of operations

Biga & Adlas, Silang, Cavite;
Talisay & Minglanilla, Cebu

The Sisters of Mary operates and maintains education with welfare programs and medical care programs in the Philippines.

CAVITE and CEBU, Philippines

The education with welfare programs in the Philippines continue to provide temporary shelter and junior to senior high school education with specializations in different vocational trainings to boys and girls from the poorest of the poor families aged between 12-18 years old. Out-patient medical care for the nearby poor and the students is provided by the infirmaries. The Sisters of Mary with the Brothers of Christ provide residential care and permanent shelter in Amadeo, Cavite to homeless mentally-challenged men. Male out-of-school youth undergo classes in General Trias to prepare them for an acceleration examination to be eligible for a high-school diploma. Technical courses are integrated in these classes to further qualify the graduates for jobs.

Printers, smart television sets, tablets, notebooks, digital duplicators, sewing machines, and video cameras were purchased for the Biga school.

A Mechatronics Training Assessment Equipment Device that will be used for the assembly of mechanical components according to the mechanical parts of existing training equipment has been provided in Adlas campus. Further upgrade of equipment for the workshops included the purchase of CNC Lathe, CNC milling 4 axis and 3in1 3 printers. Computers, laptops and projectors were purchased to replace and upgrade the existing units.

Musical instruments as violins, violas, cellos were provided in Talisay school. Smart television sets, desktop computers and mate pads were purchased this year as well.

In Minglanilla, computer units and accessories, smart television sets, tablets and printers were added to the equipment used by the students to supplement the existing inventory.

Place of Operation

Kisarawe District, Kwa Komba &
Dodoma

The Sisters of Mary operates a charity program for education with welfare in Tanzania.

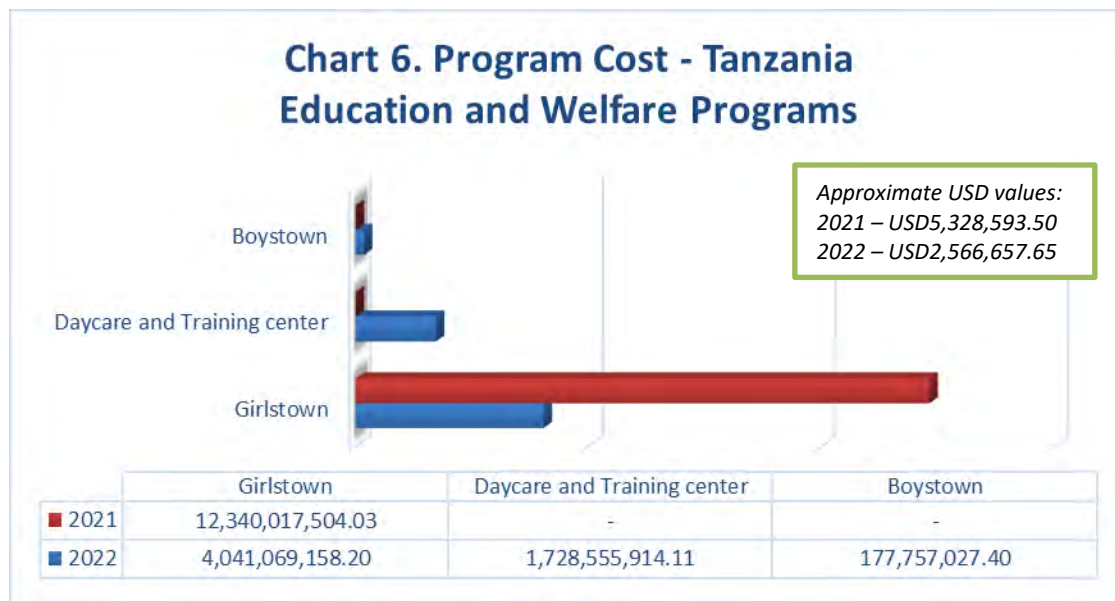

Kisarawe / Kwa Komba / Dodoma, Tanzania

The Girlstown in Kisarawe, Pwani Region, Tanzania continues to provide education and welfare programs to girls from different regions of the country.

Payments are being completed this year for the construction of the buildings, roads, playground, gym, pool, sewage treatment plant, water system and walkway of the Girlstown. Furniture and equipment were purchased to further supplement the needs of the school. Solar panels were installed along with solar street lights.

The Day Care and Training Center in Kwa Komba became operational this year. A generator set along with furniture and fixtures and equipment were provided for the center.

Groundbreaking ceremonies were held at Dodoma this year for the future site of the Boystown. A boundary wall was put up along the property lines.

Education with Welfare Programs

GIRLSTOWN (2019)

The Girlstown is a residential school providing a full curriculum of subjects including English, Swahili, geography, history, biology, chemistry, physics, civics, agriculture and PE.
